On-Time Completion Rate

On average, Wor-Wic students take nine credits per semester. Dividing the total number of program credits by this average determines the normal amount of time required for a student to complete a practical nursing certificate.

Thirty-three percent of the practical nursing certificate graduates in FY 2010 completed on time.

Note: More than two-thirds of Wor-Wic's students attend part-time and more than 80 percent require additional developmental coursework in mathematics, reading and/or writing.

Job Placement Rate

In compliance with federal government guidelines, job placement rates will be reported after federal methodology is approved since there currently is not a state requirement to calculate job placement rates.

Median Loan Debt

Thirty-seven percent of the practical nursing certificate graduates in FY 2010 were awarded federal student loans prior to graduation.

For all of the practical nursing certificate graduates in FY 2010, the median federal loan debt was \$0. More than half of the graduates did not receive federal loans.

In FY 2010, the college did not provide any private loans or institutional financing to be paid back after graduation.
