COMMERCIAL TRUCK DRIVER TRAINING

Take advantage of our high quality training designed to prepare you for a successful career in the trucking and transportation industry. Includes instruction in the classroom and “hands-on” experience both on the range and on the road. Gain truck driving skills as well as a knowledge of safety procedures, rules and regulations, and inspection techniques. Schedules, room assignments, and holiday information are distributed at orientation.

Refresher training available. Please call (410) 334-2815 for information.

CLASS A: Gross vehicle weight rating (GVWR) of 26,001 or more and the ability to tow more than 10,000 pounds. Holding this license permits you to operate the mammoth 18-wheelers and any other vehicle on the road, because it lets you operate vehicles in the lower classes.

CLASS B: Gross vehicle weight rating (GVWR) of 26,001 or more but towing capacity **under** 10,000 pounds. Holding this license permits you to operate a dump truck, tanker, and various delivery vehicles.

Mandatory Orientation Date: October 17, 2011

Call (410) 334-2815 for information and times

Class A and Class B courses begin on October 31, 2011

NOTE: additional orientation sessions and courses are scheduled every 8 weeks throughout the year.

- **Commercial Truck Driver Training: Class A (320 hours)**
- **Commercial Truck Driver Training: Class B (220 hours)**
- **Commercial Truck Driver Training: Class B to Class A (80 hours) dates to be determined**
- **Refresher Training (Class A and B)**

COURSE CONFIRMATION

You are automatically registered when the college receives your registration form and payment, unless the course is already filled. You will not receive a written confirmation and your cancelled check will be your receipt.

Please call **(410) 334-2815** to receive a **FREE Student Information Packet** that includes course requirements, prerequisites for entry, and a preregistration form. **The preregistration form** must be returned to our office along with a **current copy of your driving record for the past three years** (may be obtained from the Motor Vehicle Administration); they must be submitted **no later than 2 weeks prior to the start of class**. If you qualify for admission, you will be notified by mail. For questions about this training, call (410) 334-2815.

All courses require students to pass a DOT physical exam and drug screen. Students must also obtain the appropriate Learner's Permit. All charges for the DOT physical, drug screening, textbooks, and MVA fees are the responsibility of the student.

You may want to investigate sources for payment now because it is required prior to the start of class. The Lower Shore Workforce Alliance administers several federal and state funded programs on the Eastern Shore; to see if you may qualify, call (410) 341-8533. Checks, money orders, Visa, MasterCard, and Discover all accepted. If you are eligible for VA benefits, contact (410) 334-2882 for further information.

SPECIAL NOTICE TO EMPLOYERS IN TRUCKING AND TRANSPORTATION

If you are a **small business** with **fewer than 50 employees** and are interested in having some of your current workers obtain a **Commercial Drivers License (CDL)**, we may have funds that can reimburse you for **50% of all training costs** upon the successful completion of the course by your employee. Please contact the One Stop Job Market at **(410) 341-8533** for more information about this important opportunity.
