Do you still have questions about the application process or any other aspect of attending classes? Don’t worry...it is perfectly normal for new students to have lots and lots of questions. Scheduling, financial assistance, and purchasing books can all be scary the first time around. Wor-Wic Community College can help make the process of college enrollment easier!

We offer courses for all of our education programs at convenient times, so that you can work and still be able to schedule classes. Our staff in the Student Services office is up-to-date on current funding sources and, if necessary, will walk you through the financial aid application process. Just call 410-334-2895 and someone is Student Services will be glad to answer your questions. Finally, once your application is processed, you will be assigned an academic advisor. Contact this person as soon as possible. He or she can make an appointment with you to sit down and, hopefully, ease your mind!

Making the decision to attend Wor-Wic Community College was a great first step!

Applying to college can be a daunting experience for anyone. There are so many questions and forms, that it is easy for even the most experienced person to be a little confused. Read through this guide to the Education programs offered at Wor-Wic Community College before you complete your admission application, and you will find the selection of a program to be a breeze!

**The Certificate of Proficiency Program** Are you looking to expand your knowledge of education or are you working towards a promotion at an agency or organization that provides care for preschool children? Then this 33 credit certificate could be for you. Check the Early Childhood Education box under the “Certificate of Proficiency” section of the application.

**The AAS in Early Childhood Education** Are you currently working in the childcare setting or do you want to own your own center? This program will help you become a childcare operator, program director, or senior staff member in a childcare agency. Check the Early Childhood Education box under the “Associate Degree” section of the application.

**The AAT in Early Childhood Education (PreK—3)** Do you want to teach little children but prefer to work in a public school? After two years at Wor-Wic, this program will prepare you to transfer to a four-year institution to complete your bachelor’s degree. Check the Early Childhood Education Transfer box under the “Associate Degree” section of the application.

**The AAT in Elementary Education (1—6/Middle School)** Do you want to teach young children but prefer older elementary or middle school students? After completion of this two-year program, you can transfer to a four-year institution to complete the bachelor’s degree. Check the Elementary Education Transfer box under the “Associate Degree” section of the application.

**The AA in Secondary Education (7—12)** Would you like to teach a specific subject such as History, English or Math in a public or private high school? After the completion of this two-year program at Wor-Wic, you can transfer to a four-year institution to complete the bachelor’s degree. Check the Secondary Education Transfer box under the “Associate Degree” section of the application.

**Continuing Education Courses** Do you need to continue your education in order to earn a promotion or meet certification requirements but don’t want to pursue college credit? Contact the Continuing Education office at 410-334-2815 for more information or to enroll in classes.
