While this course is designed for the certification of certified out-of-state officers who  
are beginning employment in Maryland, the course is very appropriate for currently  
certified Maryland officers who need refresher training in this area.

This course will acquaint the student with the provisions of the criminal and traffic  
codes of Maryland. Other topics will include constitutional law, accident  
investigations, alcohol and driving, use of force, preparation of search warrants, and  
statement of charges. Emphasis will also be placed on those procedures unique to  
handling juveniles. This course will cover the Emergency Medical Services System  
including the four major duties of the First Responder that apply directly to patients.  
Emphasis will be placed on the desirable traits of a first responder and those  
activities which fall under the heading of first responder responsibility, the Good  
Samaritan Law, actual and implied consent, and the basic tools and supplies used  
by the typical first responder will be covered.

Upon completion of this course, the student should be able to:

1. Clearly define the use of force, including deadly force.
2. Apply the principles of the use of force continuum to use of force situations.
3. Demonstrate ability to identify a given crime utilizing the Maryland Criminal Law Digest.
4. Prepare an application for a search warrant.
5. Identify categories of traffic violations by common name and classification.
6. Conduct an accident investigation.
7. Prepare the Maryland Automated Accident Reporting System Form.
8. Prepare sample forms, identify the elements and procedures necessary to complete a traffic citation, obtain an arrest warrant, and a statement of charges.
9. Identify procedures unique to handling juvenile offenders.
10. Demonstrate field sobriety tests including the Horizontal Gaze Nystagmus Test.
11. Demonstrate and apply principles of Verbal Judo.
12. Implement a primary and secondary patient survey, evaluate vital and diagnostic signs.
13. Identify cardiac arrest and perform one- and two-rescuer cardiopulmonary resuscitation.
14. Use direct pressure, pressure points, and tourniquets to cancel bleeding.
15. Implement care for fractures, dislocations, poisoning, burns, heat exhaustion, frostbite and other basic emergency medical care.

This course is designed to meet requirements as mandated by the Maryland Police and Correctional Training Commissions and to meet the annual in-service requirements.

Since we are restricted to the size of the class, we suggest a quick response be made to reserve your seat/s. Reservations may be made by telephone but MUST be followed up with the enclosed reservation form that can be faxed to Ms. Etta Smith, ESCJA secretary. **ALL class reservations** must be submitted to the ESCJA on the attached form via fax or mail, to ensure your reservation.
