JOB FAIR TIPS FOR JOB SEEKERS

During The Fair

- Do not assume a company does not have open positions in your field. Instead, ask what positions they are hiring for.
- When greeting a recruiter, introduce yourself and look confident by initiating a firm handshake with a smile.
- Express your interest by demonstrating knowledge of the organization.
- Relate your skills, interests, and experiences to the specific needs of the employer.
- Listen and ask relevant questions about the company and position. This is not the time to ask salary-related questions.
- Take notes if needed.
- Ask the company what the next step is and how to follow up.
- Get appropriate contact information and ask for a business card.
- Conduct yourself professionally at all times. Remember that you could be making an impression when you are standing in line or walking to the next company.

After The Fair

- Send a thank you letter or e-mail message and reconfirm your interest in the position and company.
- Within a week, follow up with a telephone call if you have not heard from the employer.

Take a closer look... open your eyes to a bright future!

At Wor-Wic Community College, you will find more than desks, books, and computers. Our goal is to provide an affordable, high quality education and a welcoming, small college atmosphere to see you through your educational journey. We offer convenient day and evening credit classes year-round in semesters of varying durations so you can sign up for classes that work with your schedule. Distance learning classes also provide flexibility for students of all ages. We offer more than 60 program options that can help you meet your educational and career goals.

Wor-Wic’s Continuing Education and Workforce Development Division supports a wide variety of career paths, including healthcare, real estate, culinary, computers and technology, transportation, business and leadership, and trades. Courses are designed to help students prepare for a new career, upgrade existing skills, meet licensure, certification or continuing education requirements, and improve technical skills. Courses run throughout the year and are available on campus, and at off campus locations such as the Ocean Resorts Golf Club, and online. Contact our office for a course schedule and/or advising support on the career paths available to you through continuing education!

Share your skills - consider becoming a part-time instructor in the Continuing Education and Workforce Development Division. Teaching or training experience is preferred but is not required. Your experience in the field is the critical element. Day and/or evening instructors are needed immediately for: “soft skills training” for job preparation, chemical dependency, computer graphics, PC hardware/software troubleshooting and networking, plumbing, air conditioning, real estate, small business, non-profit management, leadership, and photography. We are also looking for instructional designers who can work with subject matter experts to develop a variety of customized curricula for local industry training. Call 410-334-2815 for further information.

It is the policy of Wor-Wic Community College not to discriminate on the basis of age, race, color, religion, national origin, marital status, sexual orientation, genetic information or disability in the admission and treatment of students, access to educational programs and activities, and terms and conditions of employment.

Consider Wor-Wic as an option – whatever your plans for the future are.
