WOR-WIC COMMUNITY COLLEGE

2015 Annual Job Fair

Thursday, April 9, 2015
4:00 p.m. to 7:00 p.m. in Guerrieri Hall

Profiles of Participating Employers

Hosted by Career Services
(410) 334-2903
careerservices@worwic.edu
http://worwic.edu/StudentServices/CareerServices/CareerEventsJobFairs.aspx
During the Job Fair:

- Do not assume an employer does not have open positions in your field. Instead, ask what positions they are hiring for.
- When greeting an employer representative, introduce yourself and look confident by extending your hand for a firm handshake with direct eye contact and a smile.
- Express your interest by demonstrating knowledge of the organization through the research that you did prior to the event.
- Relate your skills, interests, and experiences to the specific needs of the employer.
- Listen and ask relevant questions about the organization and the position(s) they have open. Take notes if needed.
- This is not the time to ask salary-related questions.
- Offer the employer representative a copy of your resume if you are interested in any of their open positions.
- Ask the employer representative what the next step is and how to follow-up.
- Get appropriate contact information and ask for a business card if they have one.
- Be sure to thank the employer representative for their time, smile, and offer your handshake before moving on to the next table.
- Conduct yourself professionally at all times. Remember that even when waiting in line to speak to the employer representative, or walking to the next table, you are being watched.

After the Job Fair:

- Send a thank you letter or e-mail message to the employer representative to reconfirm your interest in their organization and the open position.
- Within a week, follow-up with a telephone call if you have not heard from the employer.

Take a closer look… open your eyes to a bright future!

At Wor-Wic Community College, you will find more than desks, books, and computers. Our goal is to provide an affordable, high quality education and a welcoming, small college atmosphere to see you through your educational journey. We offer convenient day and evening credit classes year-round in semesters of varying durations so you can sign up for classes that work with your schedule. Distance learning classes also provide flexibility for students of all ages. We offer more than 60 program options that can help you meet your educational and career goals.

Wor-Wic’s Continuing Education and Workforce Development Division supports a wide variety of career paths, including healthcare, real estate, culinary, computers and technology, transportation, business and leadership, and trades. Courses are designed to help students prepare for a new career, upgrade existing skills, meet licensure, certification or continuing education requirements, and improve technical skills. Courses run throughout the year and are available on campus, and at off campus locations such as the Ocean Resorts Golf Club, and online. Contact our office for a course schedule and/or advising support on the career paths available to you through continuing education!

Share your skills - consider becoming a part-time instructor in the Continuing Education and Workforce Development Division. Teaching or training experience is preferred but is not required. Your experience in the field is the critical element. Day and/or evening instructors are needed immediately for: “soft skills training” for job preparation, dental assisting, EKG technician, veterinary assistant clinical site monitoring, computer graphics, PC hardware/software troubleshooting and networking, plumbing, air conditioning, real estate, small business, non-profit management, leadership, and photography. We are also looking for instructional designers who can work with subject matter experts to develop a variety of customized curricula for local industry training. Call 410-334-2815 for further information.

It is the policy of Wor-Wic Community College not to discriminate on the basis of age, race, color, religion, national origin, marital status, sexual orientation, genetic information or disability in the admission and treatment of students, access to educational programs and activities, and terms and conditions of employment.

Consider Wor-Wic as an option – whatever your plans for the future are.
