Using WebAdvisor to access your Financial Aid account

Step One: Log into myWor-Wic (http://my.worwic.edu) using your student ID and password.

Step Two: From the WebAdvisor menu, select the Current Credit Students option, and then click on Financial Information from the drop-down menu.

Step Three: After clicking on Financial Information, click on View Account and Make Payments.

Step Four: Review your Financial Activity.

If you have a balance remaining, it can be paid online by clicking on the Make a Payment tab.

The Account Activity tab gives an up-to-date overview of the student’s account balance. If it is a negative balance, that indicates a credit amount up to $900 of which can be used for the purchase of required books and supplies.

By clicking on Expand All, you will see an itemized list of the charges on the student’s account, as well as financial aid awards applied.

The financial aid amount listed in the anticipated column is your actual aid amount based on the number of credits in which you are enrolled.

Students are responsible for reading all Financial Aid Policies, which are located on the Financial Aid site on myWor-Wic.
