---

This course introduces participants to the key terms, policy, guidance, and preparedness efforts required to safeguard the Nation's critical infrastructure. Participants will review applicable policy and guidance, discuss the risk management framework, review Sector Risk Snapshots, identify critical infrastructure in their jurisdiction, and identify Sector specific jurisdictional threats and hazards of significant concern. In addition, participants will identify Sector specific First-Order Dependencies and Interdependencies and the impacts of cascading sector failures.

**Upon completion of this course, the student should be able to:**

1. Identify the sectors with assets within their jurisdiction, the Sector Specific Agency(ies) for those sectors and the impact of the National Preparedness Report (NPR) on sector assets.
2. Summarize the National Infrastructure Protection Plan (NIPP) risk management framework and the knowledge of varying sector and asset-specific risk management tools and resources.

3. Summarize the information included in a Sector Risk Snapshot.
4. Determine the specific high-level threats and hazards to local Critical Facilities (CF) assets.
5. Identify the dependencies and interdependencies of the CF sector.
6. Identify sector assets, threats and hazards of significant concern, and dependencies and interdependencies of sector assets.

This course is designed to meet requirements as mandated by the Maryland Police and Correctional Training Commissions and to meet the annual in-service requirements.

**Class Size:** Seating limited.

**Attendance:** You must attend the entire course to receive in-service credit.

### **Dress Code:**

To maintain a professional appearance, all in-service officers/staff must follow the prescribed dress code to be admitted to any training held at the Academy.

- Uniform of the day recommended.
- Shirt with a collar—**No** t-shirts or tank tops
- Docker style pants, BDU's or suit—**No** shorts or jeans
- Full shoe with socks—**No** sandals

**Firearms**—All officers wearing a handgun on campus in plain view MUST also wear his/her badge in plain view.

### **Failure to Adhere to the Dress Code**
