This course is designed to annually certify the K-9 and handler in Controlled Dangerous Substance (CDS) and/or Explosive Detection skills. Areas to be tested include narcotics detection in vehicle interior and exterior scenarios, building parcels and lockers. **Note: This is a certification course.**

**Upon completion of this course, the student should be able to:**

1. Demonstrate the ability to organize and control a systematic and proper search effort to detect CDS and/or explosives in a vehicle interior, vehicle exterior, lockers, parcels and buildings;
2. Demonstrate the ability to combine control and decision-making skills with that of the canine to successfully discover CDS and/or explosives in a vehicle interior, vehicle exterior, lockers, parcels and buildings;
3. Demonstrate the ability to detect the scent of the following substances of CDS and/or explosives.

This course is designed to meet requirements as mandated by the Maryland Police and Correctional Training Commissions and to meet the annual in-service requirements.

**Class Size:** Seating limited.

**Attendance:** You must attend the entire course to receive in-service credit.

### **Dress Code:**

In order to maintain a professional appearance, all in-service officers/staff must follow the prescribed dress code to be admitted to any training held at the Academy.

- Uniform of the day recommended
- Shirt with a collar—**No** t-shirts or tank tops
- Docker style pants, BDU's or suit—**No** shorts or jeans
- Full shoe with socks—**No** sandals

**Firearms**—All officers wearing a handgun on campus in plain view MUST also wear his/her badge in plain view.

### **Failure to Adhere to the Dress Code**
